

FLINT RIVER RANCH

DOG AND CAT SUPER PREMIUM FOODS

Puppy and Adult Kibble -- Designed to provide optimum nutrition for your active dogs and growing pups. FRR Puppy/Adult formula helps to prevent health problems and keeps your dogs looking good with shiny coats, strong bones and tendons, well developed cartilage and clear digestive systems. It supports optimum growth in pups, not too fast and not too slow. It maintains strong systems in adult dogs and breeding females. At 23% crude protein, FRR is one of few dog foods that will not grow your puppy too fast creating potentially weak joints.
